About Chris

Chris Frame is an internationally acclaimed maritime history author with 17 published books about cruising, cruise ships and maritime history.

Chris is a sought-after lecturer aboard cruise ships and maritime museums worldwide, sharing the story of ocean liners and cruise ships to packed out audiences.

His knowledge of the cruise industry has led Chris to work with leading cruise brands, and he is the co-host of The Big Cruise Podcast.

Chris has appeared as a subject matter expert on multiple documentaries and global TV news including BBC, Network 7, 9 News, Sky News, CNN, Network 10, Channel 5 and the ABC.

The Channel

Chris' YouTube channel is a cruise content hub packed with hundreds of engaging and educational cruise, ocean liner and travel videos.

Chris' knowledge of the cruise industry and maritime history blend to create a unique and key draw card for the channel.

Chris' ability to link modern events with historical context make his videos shine among the various cruise commentators online, creating a unique storytelling angle that boosts engagement.

Chris is known for engaging, fast paced video narrative, which reflect the style of his highly acclaimed live maritime lectures.
