CHRIS FRAME THE MARITIME HISTORIAN

YOUTUBE | SUBSTACK | BLOG | THE EXPERT CRUISE SHOW

CHRIS FRAME

Chris Frame is an internationally acclaimed maritime historian with 17 published books spanning cruising, cruise ships, and ship history.

He is a sought-after **lecturer worldwide**, captivating audiences at museums, universities, and aboard cruise ships as an enrichment speaker, sharing the compelling story of ocean liners and cruise ships.

His deep knowledge of the cruise industry has led Chris to collaborate with leading cruise brands, enhancing media presentations, news conferences, new products and ship launches, historic events, maiden voyages, and farewell voyages.

Chris is a subject matter expert, appearing regularly on documentaries and global news, including BBC, CNN, Channel 5 UK, 7 News, 9 News, 6PR, LBC, and ABC's prestigious **'Conversations with Sarah Kanowski'.**

YouTube

Chris Frame the Maritime Historian is a leading cruise and maritime content hub, featuring hundreds of engaging and educational videos on cruise, ocean liners, and ship history. Chris' unique ability to blend extensive knowledge of the cruise industry with captivating ship history **sets this YouTube channel apart** from other online cruising content.

The channel is home to **The Expert Cruise Show**, a leading internationally focused cruise podcast on YouTube and major podcast platforms such as Spotify and Apple Podcasts.

The channel is also home to engaging content, including the **Best Mates On Board** series. It provides unique storytelling angles that engage and inform viewers, significantly boosting watch times.

The channel is paired with **The Maritime Historian Substack** and **Cruise News & Insight Blog** found at themaritimehistorian.substack.com & chrisframe.com.au
